Unit 91, Colchester, VT

Issue 6

Recent Events

Unit 91 and Twincraft Skincare partnered up to say Thanks to National Guard troops serving at the COVID-19 testing site.

What's Up Unit 91?

We do hope everyone out there is doing well and taking care of yourselves. These are some very odd times but by now, many people are settling in to the 'new' norm. Although the Post has been closed, several members have been busy baking cookies and partnering with Twincraft Skincare to provide a small token of thanks to those National Guards serving at the COVID-19 testing site in Essex.

We have received word from the American Legion Auxiliary Department of Vermont that you are stuck with the current team of officers for another year. Because we were unable to hold elections of officers for Unit 91, the following fine volunteers will remain in office for 2020-2021. We are very excited and happy to serve our community for the upcoming year. As always, we will be looking for volunteers for various events throughout the year.

More Unit News

Each year, Unit 91 provides a \$2,000 scholarship to one lucky Chittenden County college-bound high school student. So far this year we received 5 applications and we have been reviewing them as they roll in. We extended the deadline for applications until June 1, 2020. For more information, you can contact Rhonda at rhowdymace@gmail.com. Stay tuned for the announcement of the lucky recipient!

Our newest Unit 91 member; T-Rex, surprised this military family with a drive-by birthday present for their 10-year old kiddo. Happy Birthday Jack!

April		May
